Resident Students:

Accommodations:

Participants requiring local accommodations will be housed in Thoreau Hall, a dormitory located at the north end of the campus in the Cuarto housing area. Guests will be issued a key for the hall entrance and the suite door. A \$35 fee is charged for lost and non-returned keys. All accommodations are air-conditioned suites and have semi-private bathrooms. All rooms are either single or double occupancy. Every effort will be made to accommodate those wishing to have a roommate at the double occupancy rate, but is dependent upon the number of applicants wishing to have roommates.

Thoreau Hall has four bedroom suites (four persons at single occupancy or eight persons sharing the space at double occupancy). The bedrooms are split with two rooms on each side the living room area. Each two-room section shares one shower/one toilet and two vanity areas. Rooms are furnished with extra long twin beds, a desk, and chair, and closet. The common living room area has chairs and a couch. Please see <http://www.confhsg.ucdavis.edu/Accommodations.htm> for a description and layout of the Thoreau suites. Each bed will include a clean set of sheets and pillowcase, blanket, pillow, mattress pad, bedspread, a small bar of soap, a plastic cup, one washcloth, and two towels. Fresh towels will be provided daily and wastebaskets will be emptied daily. Clean linens will be provided at the beginning of the second week. It is suggested that participants bring an alarm clock, a table lamp, a flashlight, clothes hangers, and a light jacket or sweater for air conditioned rooms and hopefully, cool evenings. Cooking appliances and pets are prohibited. Televisions, study lounges, community kitchens, laundry facilities, and game areas are available. Laundry facilities are available; washers cost \$.75 and dryers \$.50 per load. Detergent dispensers are available in the laundry rooms.

WAI participants may check in after 2:00 p.m. on Sunday, June 20th and are expected to check out on Friday, July 2nd by noon although prearranged luggage storage can be provided since the program does not end until 1:30 p.m. Rates, which include meals, are approximately \$1,400-1,450 per person for single occupancy and \$800-850 per person for double occupancy. The cost is a package price. Students needing to spend Friday night July 2, in their room, may make arrangements with conference housing, if space is available. On-campus housing will not be available for participants who will be arriving on Saturday, June 19.

Non-student guests cannot be accommodated at any time during the program, including over the weekend between the first and second weeks.

Meals:

Three daily meals are included with the accommodations package. Meals are served in Oxford Circle Dining Hall, all you can eat, for the duration of the program. Meals are scheduled at specific times according to the cafeteria schedule. Lunches will be arranged for most site visits.

Commuter Students:

Many of the best learning opportunities occur while networking with other participants during meals and in the evenings. Students are encouraged to take into account the highly intensive nature of the Western Archives Institute when deciding whether to be a resident or commuter student. You may wish to discuss your individual situation with WAI Administrator Nancy Zimmerman or Local Arrangements Coordinator, John Skarstad.

Meals and Transportation:

For commuter students not staying on campus, the non-resident package includes the program's special events, daily refreshments, and transportation to site visits at local repositories, if requested. Commuter students will have two meal options – 1) bring your lunch or 2) purchase lunch at the Oxford Circle Dining Hall or at nearby restaurants, if time permits. Please note that only participants who are staying in the residence hall or purchase lunch in the dining center may eat in the dining center.

Please see page one for information concerning parking.

Special Arrangements:

Participants who require special accommodations due to physical disability or their special needs should contact the Local Arrangements Coordinator.
